**Personal Audio System**

**Operating Instructions**

---

**Power Sources**

Connect the AC power cord and press the FM (or C) batteries (not supplied) into the battery compartment.

---

**Recording on a tape**

- Check the following items before starting recording:
  - Type I (normal) tapes only: Type II (high density) and Type IV (metal) tapes are not supported.
  - Make sure the microphone or microphone cable is connected. If the microphone cable is not connected, it may not function properly.

---

**Playing a tape**

- Check the following items before starting playback:
  - Type I (normal) tapes only: Type II (high density) and Type IV (metal) tapes are not supported.
  - Make sure the microphone or microphone cable is connected. If the microphone cable is not connected, it may not function properly.

---

**Presetting stations to FAVORITE RADIO STATIONS buttons**

- Preset the desired radio station to FAVORITE RADIO STATIONS buttons.
- Use TUNER/BAND, FM, or AM to select the “FM” or “AM” band.

---

**Listening to the radio**

- To turn on the power of the unit.
- Adjust the volume level when listening through headphones.

---

**Listening to preset radio stations**

- Press FM/AM and repeatedly select the “FM” or “AM” band.
- To select a preset station, press the preset number you want to preset.

---

**Notes**

- Turn off the unit before unplugging the AC power cord.
- Do not block the air vents on the rear and bottom of the unit.
- Do not place heavy objects on top of the unit.
- Do not use the unit in a confined space or near electrical appliances such as refrigerators, etc.
- Do not install the appliance in a confined space, even if the unit itself has been turned off.
- Do not touch the power cord and plug with wet hands.
- Do not use power plugs with electrical outlets that do not fit properly.
- Do not install the appliance in a confined space.
- Do not use power plugs with electrical outlets that do not fit properly.
- Do not install the appliance in a confined space.
- Do not use power plugs with electrical outlets that do not fit properly.
- Do not install the appliance in a confined space.
- Do not use power plugs with electrical outlets that do not fit properly.
- Do not install the appliance in a confined space.
- Do not use power plugs with electrical outlets that do not fit properly.
- Do not install the appliance in a confined space.
