Key Technologies

9-inch (diag.), high-resolution, widescreen monitor: Enjoy entertainment on the go with the Sony® DVP-FX921 portable DVD player, featuring a nine-inch, high-resolution screen (800 x 480 resolution) and widescreen display.

6-hour rechargeable battery: With up to six hours of battery life, the Sony® DVP-FX921 portable DVD player lets you watch approximately three full-length movies before having to recharge.¹

180 swivel and flip monitor: A convenient 180-degree swivel and flip screen allows you to watch your DVDs from almost any angle.

Touch keys on bezel for easy operation: Easy-to-access touch keys are conveniently located on the frame surrounding the player's screen.

Multiple format disc playback: View movies and photos and listen to music with multiple format playback.²

2 built-in headphone jacks: Share your entertainment with friends and family with two built-in headphone jacks.

Dual sensors for enhanced remote control use: Dual sensors on the player let you operate the remote control from various angles.
