 Weight (Approx.): 2.0kg

#### Supplied Accessories

Remote (RMT-B107A)  
 Instruction Manual  
 AV Cable  
 AA Battery  
 Warranty Card

#### Optional Accessories

Optional WiFi USB dongle (UWA-BR100)

Color: Black  
 UPC Code: 027242796270

- Application must be downloaded from the iTunes® or Android™ application store. Check Android market from your device for compatibility. Requires that the Blu-ray Disc™ Player and the remote device be connected to the same home network with the remote device connected through an 802.11 access point (802.11n recommended).
- Requires internet connectivity. Some disc titles may not be supported by the Gracenote™ service.
- Requires internet connectivity and use of BRAVIA® Internet Video functionality
- Requires home network with an 802.11 access point. USB adapter required, sold separately
- Requires home network a DLNA enabled device (such as a PC). Firmware update may be required for DLNA functionality (depending on date of manufacture)
- USB device must be formatted FAT-32.
- 1080p playback requires HDMI™ cable (sold separately) and compatible HDTV with equivalent display capability
- Firmware update may be required (depending on date of manufacture) 3D viewing requires 3D content, 3D ready HDTV and HDMI connection. Other 3D accessories (including 3D glasses and emitter) may also be required for 3D viewing. 1080p playback requires HDMI™ connector (sold separately) and compatible HDTV with 1080p display capability.
- Not all USB devices are supported. Please check Owner's Manual for compatibility.
- Broadband Internet connection speed of at least 2.5 Mbps recommended (10 Mbps for HD content). Video quality and picture size vary and are dependent upon broadband speed and delivery by content provider. Select content provided subject to change. Premium content may require additional fees, a subscription and/or PC registration. Netflix requires unlimited membership for feature functionality. Pandora will be available in the Spring of 2010.
- Dolby® TrueHD and dts®-HD Master Audio decoding requires HDMI™ cable and receiver with HDMI input and LPCM capabilities (both sold separately).
- Quick Start Mode must be activated.
