CFD-S300

CD Radio Cassette Recorder

features

- **All New Chassis Design** represents high quality and power with a new look in portable entertainment with an updated front panel
- **Digital AM/FM Stereo Tuner** provides the most accurate drift-free tuning of AM and FM radio stations and lets you choose from the wide variety of talk shows and music programs, with the added enjoyment of stereo sound
- **Slim Remote Control** gives convenient remote access to Function, CD operation, Radio operation and Volume control
- ▶ **New Wide Stage Convex Speakers:** new speaker design allows the sound to be dispersed over a wider area for a fuller sound stage
- **10-Key Direct Access™ Buttons for CD/Tuner Operation** provides convenient, one-button access to preset AM/FM stations or tracks of CD player
- **Mega Bass® Sound System** produces rich, deep, bass tones for more powerful overall sound
- **CD-R/RW Playback Compatibility** plays all compact discs including CD-R recordable and CD/RW rewritable; your own compilations from CD recorder deck or PC can be played on the unit
- **20 Track RMS Programming** can pre-program up to 20 tracks on a CD to play back in any order
- **CD Play Modes (Program/Shuffle/Repeat)** lets you hear tracks in multiple modes; in sequence as recorded, in program (RMS) order, all tracks in random (shuffle) order or a single track over and over
- **Synchronized CD/Cassette Dubbing** starts cassette recording when compact disc playback begins
