

DPP-EX5

Digital Photo Printer

One Touch Printing: It's a Snap!

FEATURES

Snapshot Prints from Your Digital Pictures

Produce beautiful high quality prints in the convenience of your home or office. The DPP-EX5 makes it simple, easy and cost-effective.

Print Images in Three Sizes

The DPP-EX5 can print borderless 4" x 6" postcard size prints, economical size 3 1/2" x 5" or compact size 3 1/2" x 4" with a simple click of a button.

PC Free Direct Printing

Print images directly from Memory Stick® media without having to connect to a computer.

3.8 Megapixel High Resolution Photo Quality

The DPP-EX5 photo printer can print images with up to 16.7 million colors at a 403 x 403 dpi resolution providing outstanding print quality.

Dye-Sublimation Printing (403 dpi, 16.7 Million Colors)

Dye-sublimation technology uses layers of color-dye to create continuous tone images with color richness that rivals traditional photo prints.

High Speed Printing

Sony's new high sensitivity media results in printing times that are much quicker than other dye-sub or ink jet printers. Print a four by six (4" x 6") 3.8 Megapixel image in about 90 seconds. 3 1/2" x 5" and 3 1/2" x 4" size prints are even faster.

Multiple Frame or Index Printing

Choose to print 1, 2, 4, or 9 images on a single sheet of paper. Images can be printed as multiples of the same image or a combination of different images in creative print mode.

Image Optimization and Photo Edit Functions

Image Optimization functions help improve picture quality including:

- Image Enlargement/Reduction/Movement
- Image Rotation in 90-degree increments and 180-degree rotation.
- Image Color Correction Effects: Hue, chrominance, brightness and sharpness.

Super Coat 2™ Protective Lamination

Sony's unique Super Coat 2™ laminate is applied in either matte or glossy finish during the printing process, protecting photos from color-shift and fading. Pictures produced with the DPP-EX5 have better picture permanence compared to traditional film-based photo processing.

Easy to Use Interface

Core printer functions are displayed on the TV screen via video output for ease of use and improved functionality. The on-screen Graphical User Interface menu makes system control easy allowing the user to edit images, produce creative, personalized prints, and/or perform printer setup functions.

PC/Macintosh® Compatible via USB

For added use and function, the printer can be connected to both the PC and Macintosh® computers by using the built-in USB connection. Printer driver software is included for pre-installed Microsoft® Windows® 98/98SE and Macintosh OS 8.6 operating systems and later.

Compact Size:

3 1/10" x 7 9/10" x 11 1/4" (WxHxD)

The DPP-EX5's small size fits easily within your lifestyle. Whether next to your TV or near the PC, the DPP-EX5 makes it easy to print your digital pictures.

Memory Stick® Media

Digital. Powerful. Transportable.™ Memory Stick media is compact, portable and rugged—connecting a variety of hardware and software applications, allowing for instant printing when inserted directly into DPP-EX5 Memory Stick slot.

Auto Feeder Tray

Print up to 30 images in one session, without having to feed paper into the printer one sheet at a time. The supplied auto-feed tray will hold three different sizes of paper (4" x 6", 3 1/2" x 5" or 3 1/2" x 4") for simple, quick and quiet printing.

▶ Slide Show Mode

Connect the printer to a TV using the video output, to show a personal slideshow of your favorite images.

SPECIFICATIONS

Printing System: Dye-Sublimation

Printing Size: Large Postcard Size 4" x 6" Borderless Prints
Medium Size 3 1/2" x 5" Borderless Prints
Compact Size 3 1/2" x 4" Prints

Gradations: 8-bit per color – C/M/Y/K
(Approximately 16.7 Million Colors)

Printing Time: Approximately 90 Seconds (4" x 6")
Approximately 75 Seconds (3 1/2" x 5")
Approximately 60 Seconds (3 1/2" x 4")

Video Output: Composite Video

Input/Output Connections: Memory Stick® Media

USB: (Ver. 1.1) Connection for PC or Macintosh® Computers

Media Cards: Memory Stick® Media

Format: JPEG / TIFF / Bitmap / EXIF2

Paper Size: Large Postcard Size: 4" x 6" (101.6mm x 174.4mm)
Medium Size: 3 1/2" x 5" (89mm x 149mm)
Compact Size: 3 1/2" x 4" (89mm x 101.6mm)

Power Requirements: 110 – 120 Volts AC

Supplied Software: Printer Driver Software

Dimensions (W/H/D): 3 1/10" x 7 9/10" x 11 1/4" (78 x 200 x 288mm)

Weight: 5 lb. 2 oz (2.3kg) with paper tray

Supplied Accessories: Paper Tray, Video Cable, CD-ROM
Printer Driver Software, Cleaning Kit,
AC Power Cord

OPTIONAL ACCESSORIES

SVM-25LS Postcard Size Printer Pack (25 prints)

SVM-25LW Postcard Size Sticker Pack (25 prints)

SVM-30MS Medium Size Printer Pack (30 prints)

SVM-30SS Compact Size Photo Paper (30 prints)

SVM-30SW Compact Size Stickers (30 prints)

SVM-30SW09 Compact Size 9 Split Stickers (30 prints)

SVM-75LS Postcard Size Printer Pack (75 prints)

DIGITAL PRINT MEDIA (sold separately)

SVM-25LS Print Pack

- 4" x 6" Print Paper with Snap-Off Edges for Bordered or Borderless Prints
- Super Coat 2™ Protective Lamination
- 25 Sheets of Paper and Print Ribbon

SVM-25LW Sticker Print Pack

- 4" x 6" Print Paper with Adhesive Backing
- Super Coat 2™ Protective Lamination
- 25 Sheets of Paper and Print Ribbon

SVM-30MS Medium Print Pack

- 3 1/2" x 5" Print Paper with Snap-Off Edges for Bordered or Borderless Prints
- Super Coat 2™ Protective Lamination
- 30 Sheets of Paper and Print Ribbon

SVM-30SS Compact Print Pack

- 3 1/2" x 4" Compact Print Paper for Bordered Prints
- Super Coat 2™ Protective Lamination
- 30 Sheets of Paper and Print Ribbon

SVM-30SW Compact Sticker Print Pack

- 3 1/2" x 4" Compact Print Paper with Adhesive Backing
- Super Coat 2™ Protective Lamination
- 30 Sheets of Paper and Print Ribbon

SVM-30SW09 9-Print Sticker Print Pack

- 3 1/2" x 4" Compact Print Paper with Adhesive Backing
- 9 Sticker Die-Cut for 9-Print per Sheet Mini-Prints
- Super Coat 2™ Protective Lamination
- 30 Sheets of Paper and Print Ribbon

SVM-75LS Print Pack

- 4" x 6" Print Paper with Snap-Off Edges for Bordered or Borderless Prints
- Super Coat 2™ Protective Lamination
- 75 Sheets of Paper and Print Ribbon
