- ▲ No Power No Problem Alarm System
- Highly Visible 0.9" Green LED
- ▲ Dual Alarms with Alarm Indicators
- Extendable Snooze
- AM/FM Analog Tuner
- Built-in Calendar
- Battery Back-up with Installed Lithium Battery
- Stylish Design

## Features

- ◆ **ATS (Automatic Time Set)** The correct EST (Eastern Standard Time) has been preset at the factory, so just plug the clock in and adjust the time zone as necessary. In the case of a power interruption, the built-in Lithium battery maintains the correct time so when the power returns you don't have to re-set the clock.
- **ADST (Automatic Daylight Savings Adjustment)** When Daylight Savings Time changes take place in the spring and fall each year, there is no need to adjust the clock because the built-in calendar recognizes the dates and automatically makes the proper time adjustments.
- **No Power No Problem Alarm System** The pre-installed Lithium battery maintains clock and alarm operation in the event of a blackout or other power failure
- **Highly Visible 0.9" Green LED** The display is easily viewable under a variety of lighting conditions.
- **Dual Alarms with Alarm Indicators** Set two separate wake-up times with individual wake-up settings and confirm that the alarm has been activated to turn on at the pre-set time.
- **Extendable Snooze** Choose your own snooze time instead of being held captive by the short time intervals of other snooze times. Each press of the snooze button adds an additional 10 minutes to your total snooze time for up to a full hour of uninterrupted sleep.
- ◆ **AM/FM Analog Tuner** Choose from the wide variety of radio, talk and music programming.
- **Built-in Calendar** View the date and year on your clock radio.
- **Space Saving Appealing Design** Attractive, modern design compliments any decor.

## Specifications

### General

Day/Night Function: Time: 12 hour system

### Audio

Frequency Range: AM: 530-1710kHz; FM: 87.5-108MHz  
 Antenna System: AM: Built-in Ferrite Bar Antenna; FM: Wire Antenna  
 Tuner Type: Analog  
 Station Preset(s): 15 (5 AM, 10 FM)

### Convenience

Alarm: Radio or Buzzer  
 Snooze w/Extendable Snooze: Snooze

### Hardware

Display: Green LED

### Power

Power Requirements: AC 120V, 60Hz  
 Output Power: 120mW (at 10% harmonic distortion)  
 Power Back-up: Built-in Battery for Full Power Back-Up  
 Battery Life (Approx): Up to 250 Days (with Sony battery)<sup>1</sup>

### Speaker

Speaker Dimensions: 2 5/8" (66mm)  
 Speaker Type: Mono

### Dimensions

Weight: 1 lb 2 oz (524g)  
 Measurements: W 6 1/8" x H 3 5/16" x D 5 15/16" (155 x 82.8 x 151.5mm)

Color: Black, White
