## features

- ▲ **TRAVEL CD CLOCK RADIO WITH ULTRA SLIM DESIGN** is an attractive, easy to carry functional entertainment companion anywhere in the world
- **WAKE TO RADIO, BUZZER OR CD** as you prefer, simply by selecting your preference when setting the alarm
- **AM/FM DIGITAL TUNER** provides the most accurate drift-free tuning of AM and FM radio stations
- **BUILT-IN STEREO SPEAKERS** enhance the realistic listening effect with individual left- and right-channel speakers
- ▲ **10 SECOND ELECTRONIC SHOCK PROTECTION (ESP)** retains up to 10 seconds of music in memory for smooth, uninterrupted playback even if the player is bumped or jarred
- ▲ **WORLD/LOCAL TIME SYSTEM WITH EASY DST ADJUSTMENT** lets you match up time zones over the globe, automatically converts to local time, and provides simple correction for Daylight Savings Time where appropriate
- **MEGA BASS® SOUND SYSTEM** produces rich, deep bass tones for a thoroughly enjoyable listening experience
- ▲ **AUTO SCAN** automatically searches all clearly available radio stations and pauses briefly on each, to help make station selection easier when in unfamiliar locations
- **5 RANDOM STATION PRESETS** provides for convenient one-button electronic tuning of your choice of five favorite AM or FM radio stations
- **BACKLIT LCD DISPLAY** allows the display to be seen easily even at night
- **FORWARD/REVERSE TIME SETTING** with individual forward and reverse buttons for each alarm for faster, easier setting
- **STEREO HEADPHONES SUPPLIED** to permit connecting stereo headphones for private listening anywhere
- **AC ADAPTOR SUPPLIED** provides for either portable use with four "AA" batteries or with standard household current
