MZ-B3

FEATURES

- **WORLD'S FIRST MINIDISC BUSINESS RECORDER** applies the superb sound reproduction quality of digital technology with the ease and convenience of MiniDisc recording for the needs of business executives
- **STEREO OR MONAURAL RECORDING (74 OR 148 MINUTES)** gives you the option of monaural for dictation, or stereo to help identify individual speakers around a conference table more easily, and lets you double the usual recording time on a MiniDisc for extended recording sessions
- **NEW POSITION POINTER WITH GRAPHIC DISPLAY** provides a visual indication of where you are on the MiniDisc
- **BUILT-IN MONAURAL MICROPHONE AND SPEAKER** provides for convenient recording capability and excellent sound quality to monitor playback
- **QUICK ACCESS FEATURE** provides for instant access to an individual recording on the disc
- **HIGH SPEED PLAYBACK** makes it faster to review recordings
- **AUTOMATIC DATE AND TIMER FUNCTION** places a date and time marker on each recording for future reference
- **DIGITAL VOR** (Voice Operated Recording) permits activation of the recorder only when the VOR senses audible sound, to conserve space on the disc and eliminate soundless pauses during playback
- **INSTANT ERASE OF ONE OR ALL RECORDINGS** lets you selectively delete individual sessions or refresh the entire disc for re-recording
