

**Streamlined profile**

Slender rising design blends seamlessly into any space, keeping it looking modern, organized and clutter-free.

**ErgoBright™ technology**

Optimizes brightness for any lighting condition, reducing eyestrain.

**Versatile and easy to use**

Connect and go! Sony's automatic image adjustment feature optimizes your display's performance instantly. Wall mountable. Macintosh® and PC compatible.

The HS75 display features a slender rising design that gives you the option of small footprint or zero footprint with wall-mountability.

Images are crisp and fast-moving whether you're working, playing games or browsing the web. It's simple to set up so you're up and running quickly. It's Sony's best value display.
