- ▲ STEP-UP FEATURE ▶ NEW FEATURE

PRESSMAN

features

- ▲ **4-TRACK MONAURAL CASSETTE PLAYER** conforms with the U.S. Library of Congress format for audiocassettes and plays all recordings created in that format for the visually impaired
- ▲ **2-TRACK 2-SPEED RECORDER/PLAYER (2.4/4.8 CPS)** provides the option of recording with a standard cassette for twice its normal time
- ▲ **AUTOMATIC ONE-KNOB DIGITAL PITCH CONTROL (DPC) FUNCTION** lets you easily make precise adjustments to normal tape speed (within a range of 100% to -50%) for rapid review of lengthy material, or to pay closer attention to details, thus helping you make efficient use of your listening time
- ▲ **BATTERY REPLACEMENT ALARM** audibly indicates when battery power is low and alerts you that replacement should be made
- **CUE/REVIEW FUNCTION** provides sound during Fast Forward and Rewind modes to help you find specific passages on the tape
- **EARPHONE JACK** cuts off the speaker and allows for individual listening to playback, for privacy
- **CUE MARKER INDEXING** lets you place an electronic "mark" at specific tape segments, and provides rapid access during Cue and Review
- **DC-IN JACK** for two-way power operation, using replaceable batteries or AC power adaptor (optional)
