POWERFUL MOBILE PERFORMANCE
Experience the performance of Intel® Centrino® processor technology with an Intel® Core™ 2 Duo T5550 (1.83GHz) processor with 2MB of L2 cache and 3GB of pre-installed system memory.

The VAIO® FZ comes pre-installed with Genuine Microsoft® Windows Vista® Home Premium.

Offering a massive boost in wireless connection speed and range, work and play quicker anywhere within your office or home using next-generation 802.11n integrated wireless LAN technology.

A spacious 200GB (5400RPM) hard drive offers an abundance of storage space for your favorite games, music, videos and photos.

CONTEMPORARY FUNCTIONAL DESIGN
Brushed aluminum entertainment control panels and a durable, lightweight magnesium alloy chassis showcase the VAIO® FZ notebook's functional yet contemporary design elements, wrapped in a thin-and-light 5.9 lbs1 package (with standard capacity battery).

Three USB ports, ExpressCard® and Memory Stick PRO™ slots are conveniently located on the front and sides of the FZ notebook for easy, straightforward accessibility.

EASY COMMUNICATION AND STUNNING GRAPHICS
Watch your favorite movies with stunning clarity on the 15.4" widescreen display using XBRITE-ECO™ LCD technology so you can see deeper blacks, brighter whites, true-to-life color and razor sharp detail from almost any angle.

Stay connected to colleagues, friends and family at home or on-the-go with realtime video conferencing5 using the integrated MOTION EYE® camera and microphone.

Go straight to your favorite movies, songs and photos with the touch of a button. A/V instant mode gives you instant access to your favorite multimedia without ever booting-up the operating system and conserving your battery.

With Click to Disc™ Editor and the advanced DVD+R double layer optical drive, presenting your digital video content in a professional-looking package is quick and easy.

The 15.4" VAIO® FZ notebook is a thin-and-light entertainment PC with XBRITE-ECO™ LCD technology, embedded A/V controls for one-touch access to entertainment and a built-in camera and microphone.
Specifications

General
Computer Type: Notebook

UPC Code: 2724279550

¹. Non-metric weights and measures are approximate and may vary.
². Wavable area measured diagonally.
³. Requires 802.11n compatible access point. Some functionality may require Internet services, which may require a fee.
⁴. DVD media format is not necessarily compatible.
⁵. Broadband Internet service required along with third party services which may require a subscription or other service fee.
⁶. Actual battery life will vary based on product settings, usage patterns, battery and environmental conditions.
⁷. LAA is a trademark of Sony used only to designate that a product contains an IEEE 1394a connector. All products with an LAA connector may not communicate with each other.
⁸. Glitches may affect application performance. CPU speed will be reduced under certain operating conditions.
⁹. GB means one billion bytes when referring to hard drive capacity. Accessible capacity may vary. A portion of hard disk space is reserved as a recovery partition.
¹⁰. 60 Day Trial version of Microsoft Office 2007. Third party software will work only for 60 days after you first use it. You will not be able to use the software if you do not activate it as described the first time you use the software. You can activate the software by Internet: Internet service charges may apply. If you want to keep using the software after the 60 day trial period, you must convert to the perpetual version. You can convert online by following the conversion instructions presented during setup and paying the required fees.
¹¹. Total Available Graphics Memory refers to the new Windows Vista® classification of graphics memory, which is the total of dedicated Video Memory, System Video Memory and Shared System Memory. Shared System Memory varies depending on the operating condition and system memory size.
¹². See actual Limited Warranty for details. For a copy of Sony’s warranty, please visit www.esupport.sony.com, call toll free 888-477-6972 (888-477-6972), or write to Sony Electronics, 1245 Gateway Blvd., Fort Myers, FL 33913.
¹³. For certain third party software applications, Sony provides first-level Phone Support. Additional telephone support may be available from the applicable 3rd party vendor. Availability and schedule for any such support is determined by the applicable software vendor.
¹⁴. A portion of the system memory over 3GB may not be available to the operating system.

Computer Interface: The computer industry lacks standards, and therefore, there are a multitude of varying software packages and add-on hardware options. This personal computer is manufactured to operate any specific PC software, and Sony does not and cannot make any warranty or representation with respect to the performance of this product with any particular software packages and/or non-Sony add-on hardware options except those mentioned in this document. Sony hereby disclaims any representations or warranty that this product is compatible with any combination of products you may choose to connect. While Sony represents that Sony authorized dealers may be able to sell you and make recommendations, they are NOT authorized to vary this disclaimer. Purchasers are determined themselves the suitability and compatibility of the hardware and software in each and every particular instance. Software titles pre-installed on the Sony Notebook Computer are subject to change without notice. Simulated graphics shown on display. Preinstalled software may not be identical to retail versions or have all documentation. This product meets the standards of the International Emission Star Program for energy efficiency. Features and specifications are subject to change without notice.
