

## VPCEH24FX/B

The 15" E Series laptop is built with the features and performance you need every day to stay connected and be entertained. The isolated keyboard with an integrated number pad has with a pleasant-feeling textured touch pad that is integrated into the palmrest, your hands and fingers will be happy to compute.

### **VAIO, ASSIST and WEB that get you to where you want to go with a touch of a button.**

The VAIO® E series laptop comes with three special hardware buttons: VAIO, ASSIST and WEB that get you to where you want to go with a touch of a button.

- One touch access to the web without full boot up into Windows® with WEB button.
- Press the VAIO® button to launch Media Gallery™ software and create movies, and enjoy photos and music in a whole new way.
- ASSIST button links directly to VAIO Care™ software that helps maintain and troubleshoot any PC issues for optimal performance.

### **Intel® Core™ i3 Processor technology**

As the first level of Intel's latest processor family with great multitasking built in, the 2nd generation Intel® Core™ i3 processor delivers a responsive and stunning PC experience you can both see and feel. That's visibly smart performance and it starts here. With the addition of a 640GB<sup>4</sup> hard drive and Intel® HD Graphics the E Series will keep you connected and entertained.

### **The way to enjoy PC content on a big screen**

#### Intel® Wireless Display

Now enjoy all of your personal and online content on your big screen by wirelessly connecting your laptop to your TV. Stop crowding around a laptop screen, with Intel® Wireless Display, you can sit back and experience your favorite videos, photos, movies, online TV shows, and more, all with great image clarity up to 1080p.<sup>8</sup>

#### HDMI® output

Whether you're watching a movie or enjoying video captured from your compatible camcorder, the VAIO® E Series laptop lets you play back HD content on your compatible big screen HDTV with a high level of resolution. An HDMI® output delivers both your video and audio via a single HDMI cable (sold separately), providing the optimal digital connection to your HDMI-enabled HDTV so you can enjoy HD entertainment on the big screen without a myriad of extra cables and wires.

Whether it is open or closed, you will find yourself wanting to feel this VAIO® E Series laptop. With a textured, diamond-shaped pattern embossed on the lid and palm rest. The VAIO® E series laptop also comes with three special hardware buttons: VAIO, ASSIST and WEB that get you to where you want to go with a touch of a button. These features combined with the 2nd generation Intel® Core™ i3 processor delivers a responsive and stunning PC experience you can both see and feel.

## Specifications

Supplied Accessories	Standard Lithium Ion Battery (4000mAh), AC Adapter, Power Cord
----------------------	--

### Colors

Color	Charcoal Black
-------	----------------

1. GHz denotes maximum microprocessor internal clock speed and may vary based on application.

4. 1 GB = one billion bytes. Actual formatted capacity will be less.

5. Allocation of system memory to graphics varies depending on operating condition, version of device driver and total system memory size.

6. This PC is preloaded with reduced-functionality versions of Word and Excel that include advertising. Purchase an Office 2010 Product Key to activate full-featured Office software on this PC.

7. For some third party software, Sony provides initial support. Additional support may be available from the applicable vendor. Availability may vary by vendor.

8. Requires TV Adapter and compatible television. Does not support Blu-ray Disc™ or other protected content playback.

9. Estimates based on Sony engineering. Actual performance may vary considerably based on hardware configuration, software, power management settings, environmental conditions, wireless connectivity and other factors. Maximum battery capacity will

normally decrease with time and use.

11. Norton™ Internet Security 2012 30-day subscription is pre-installed on your Sony VAIO PC. You need to activate the software for the product to work. After your 30-days are finished, buy Norton Internet Security to continue to be protected from viruses, hackers and identity theft.

12. Availability may be limited. See limited warranty for details.

16. This product meets the standards of the International Energy Star Program for energy efficiency.

26. Not all models applicable. Registration required. See [www.sony.com/IRSP](http://www.sony.com/IRSP) for details.

Specifications subject to change. Non-metric weights and measures are approximate. Certain Microsoft products included with this computer may use technological measures for copy protection. IN SUCH EVENT YOU WILL NOT BE ABLE TO USE THE PRODUCT IF YOU DO NOT FULLY COMPLY WITH THE PRODUCT ACTIVATION PROCEDURES. Product activation procedures and Microsoft's privacy policy will be detailed during initial launch of the product, or upon certain reinstallations of the software product(s) or reconfigurations

of the computer and may be completed by Internet or telephone (all charges may apply). This product meets the standards of the International Energy Star Program for energy efficiency.
